

**GFI Group Voted Broker of the Year in Commodities Business Awards
GFI, Amerex and Starsupply voted best in 2012 by market practitioners**

New York, November 19, 2012 - GFI Group, Inc. (NYSE: "GFIG"), Amerex Brokers LLC and Starsupply have been voted Commodity Broker of the Year 2012 by Commodities Now magazine in this year's Commodity Business Awards.

This is the third consecutive year GFI Group has received the prestigious award.

The **Commodity Broker Award** is presented to the traditional (non-position taking) commodities broker that has shown consistent innovation and product development over the last twelve months.

Colin Heffron, President of GFI Group, said: "During this period of rapid market evolution, GFI continues to guide our clients through the changing landscape while providing the highest quality service in trading both swaps and futures. It is an honor to receive this important award for three consecutive years. All of our staff at GFI, Amerex and Starsupply, our brokers, sales people, technology and ecommerce teams, are fully committed to delivering our clients the best that can be offered in the fast evolving commodities sector".

The Award process entailed a submission to a panel of editors, from which they selected and drew a list of nominees, where market practitioners (worldwide) were then asked to vote for companies whom they believed deserved recognition and reward for advancing commodity business expertise.

GFI Group, Amerex and Starsupply provide access to global energy and commodities markets including power, natural gas and environmental commodities through a hybrid approach that combines voice brokering with state-of-the-art electronic trading platforms: EnergyMatch® and EnergyMatch® Europe.
